COLLEGE COMMITMENTS

The Surrey Breakers Athletic Association is proud to announce that the following graduating players will be playing college soccer this fall. "Over the past few seasons, SBAA has been creating a proud tradition of placing players in post secondary education and higher calibre of play. There is no doubt in my mind that these players will succeed in college at both soccer and with their education". Many other SBAA players will be walking on at educational institutions and we expect this list to continue to grow. Congratulations to each of the following players on their commitments!
